Alexandria, VA 22313-1450

Sir:

In accordance with the telephone conference on February 22, 2006, applicant amends patent application number 10/684,031 pursuant to 37 CFR 1.116 as follows:

1. None of the changes made to date, including the amendments made herein, introduce new material into the application.

2. Attached are:

(1) a clean copy and a marked up copy of the claims.

(2) marked up copies of The Field of Invention, Prior Art, Summary of the Invention, Description of the Drawings and Abstract.

(3) a clean copy, 28 renumbered pages, of the Field of Invention, Background of the Invention, Summary of the Invention, Brief Description of the Drawings, Abstract, Reference Numbers and Description of the Preferred Embodiment of the Invention. The "Description of the Preferred Embodiment of the Invention" was previously titled "Specification."

Applicant respectfully asserts that the subject application in now in condition for allowance and requests that a timely Notice of Allowance be issued in this case.
